

4-1-14

The regular meeting of the township supervisors was held March 4th at 7:00 P.M. At the municipal hall. Present were John Rickard, Mark Lienert, Peter Suhosky, Scott Bennett and Steve Ostrander. John made a motion to approve the minutes. Peter 2nd. Scott reported that the check for Robinson was received and the issue was closed. He also reported Ken Coles sent a map to county planning and the county stated that some things were hand written on the maps and they were not sure what was presented and since Ken has withdrawn the maps. They are looking for an accessory use for the cabins. A zoning permit was issued. Steve presented a map that Ken gave him and a letter asking for conditional use. Scott suggested talking to both township and county planning to see if they received it. Steve reported someone in Paupack Township told him you cannot have a building within 150 feet of water. He called Bob Muller. If you apply for a NDPES permit and does not disturb an acre you build right to the high water line but not a creek or stream with a non moving water waiver. Scott looked into the DEP bill. He spoke to someone but he is having trouble getting information. Steve stated there is a variance meeting for Robinson on Air Park Road on April 8, 2014. They asked him to go. The board discussed road work and asked Jerry to advertise for bids and set up a special meeting on April 22, 2014 at 7:00 P.M at the municipal meeting hall. Mark made a motion to approve the bills. Pete 2nd. John made a motion to adjourn. Mark 2nd. All motions were carried unanimously.
